QUESTIONNAIRE – ALLOTMENT RENT – replies as at 1st February 2024

- Pay the higher increase and KEEP the water supply **30 YES**
- Pay the smaller increase and LOSE the water supply **NONE**
- Do you have a Water Butt on your Plot **YES 21 NO 6**

ADDITIONAL COMMENTS

- Not viable without water
- Little excessive increase – warn holders about leaving water on
- I can do without grass cutting but can't do without water
- If we have a hosepipe ban, can we still fill up our waterbutts
- Water is essential for growth.
- It's a significant increase I'm not sure how not having water can work
- How can we grow without water?
- Why still such a projected increase without water
- Losing water would be a nightmare.
- It is not practicable in any way to have no water supply
