# Y2 CREW

## Summer Scheme

**Y2 Crew is a referral scheme for residents of Tonbridge and Malling and run as a partnership between Tonbridge and Malling Early Help & Preventative Services and Tonbridge & Malling Borough Council, with funding from Parish Councils, Tonbridge Lions Club, the Community Safety Unit and Safer Kent.**

The scheme provides a wide range of activities with something to suit all ages and abilities, so why not experience a summer with a difference!

**The programme operates weekdays from Monday 26 July to Friday 13 August 2021.**

Each activity is led by qualified instructors and youth workers all of whom are vetted by the Disclosure and Barring Service where appropriate and trained in basic first aid.

Due to Covid-19 a reduced Y2 Crew programme is being offered this year. All the activities will be free of charge, but unfortunately there will be no transport provided and no trips taking place. The emphasis will be on outdoor local activities which will mean they will be weather dependant and may have to be cancelled at short notice.

# Booking Information

**If you are interested in all or any of the activities, here is what to do next:**

Ask your parent/guardian to book online at [www.tmbc.gov.uk/y2crew](http://www.tmbc.gov.uk/y2crew) or complete the consent and application form and return it to:

**Y2 Crew, TMBC, Leisure Services,  
Gibson Building, Gibson Drive, West  
Malling Kent ME19 4LZ.**

Should you have any questions regarding your booking or to discuss any special circumstances, please call Leisure Services on **01732 876166** or email [leisure.services@tmbc.gov.uk](mailto:leisure.services@tmbc.gov.uk)

No payment will be required as all activities are free of charge.

Whilst every effort will be made to accommodate all children booking onto activities, numbers will be limited to ensure Covid compliancy. For safety purposes the Council may have to refuse permission for a child to participate in an activity if it believes that the health and safety of that child, or anyone else, will be endangered as a result (whether or not a prior booking has been accepted by the Council).
